

SNF Welcome & Info Center (120)

Volunteers Needed (Chair): 4–6 volunteers per shift

Inferred Need: 4–6

Shift Time(s):

- Morning: 8:00 AM–12:30 PM (primary need)
- Afternoon: 12:30 PM–5:00 PM

Students Allowed: Yes

Role Summary:

Warmly welcome guests, answer questions, distribute maps and program guides, and help attendees locate exhibitors, forums, and activities. Volunteers support multiple Welcome & Info Centers and play a key role in creating a positive first impression for visitors.

Responsibilities:

Greet guests and answer questions; distribute maps, guides, and schedules; assist guests in locating areas and activities; offer general event information; support consistent guest flow; provide friendly and accurate assistance throughout the shift.

Requirements:

Enthusiastic and outgoing personality; strong communication and guest-service skills; ability to stand and walk as needed; comfortable engaging with large numbers of guests; ability to remain cheerful and helpful.

Perks/Instructions:

Brief training provided; morning shift is most in demand; ideal for volunteers who enjoy interacting with people; highly visible role shaping guest experience; volunteer shirt provided.

9/27 VIP Club (127)

Volunteers Needed (Chair): 4–6 per shift

Inferred Need: Medium team; high demand during peak hours

Shift Time(s): 4–6 hour shifts during event hours; mornings and airshow times busiest

Students Allowed: No (18+)

Role Summary:

Provide ticketing, check-in, and guest service for VIP attendees. Volunteers assist with welcoming, verifying access, and ensuring VIP guests have an enjoyable, well-supported experience.

Responsibilities:

Greet and verify VIP guests; issue and manage tickets, passes, and wristbands; process ticket sales or upgrades; provide programs and schedules; answer questions about amenities and events; manage VIP seating and access; coordinate with staff; assist with special requests.

Requirements:

Age 18+; strong interpersonal and communication skills; professional demeanor; attention to detail; ability to handle ticketing systems (training provided); ability to work in a fast-paced, guest-facing environment; hospitality experience beneficial.

Perks/Instructions:

Training and event briefing provided; high-visibility role interacting with VIP guests; opportunity to support a premium guest experience; volunteer shirt provided.

Parts Exchange (134)

Volunteers Needed (Chair): 5 per day (2 morning, 2 afternoon, 1 backup)

Inferred Need: Medium team; full-day coverage preferred

Shift Time(s): Morning and afternoon shifts; many volunteers serve full days; special evening sale Monday before event

Students Allowed: Yes (16+)

Role Summary:

Assist with the consignment, merchandising, and sale of new and used aircraft parts. Volunteers help keep the area organized, support customers, and maintain a smooth operation in a highly active marketplace.

Responsibilities:

Set out and merchandise aircraft parts; keep aisles clean and safe; assist customers; answer basic questions; help with consignment paperwork and filing; support Monday evening sale; maintain order across the area; provide friendly customer assistance.

Requirements:

Attention to detail; ability to stand and work long hours; comfortable in a busy, fast-paced environment; customer service skills; ability to lift and move parts.

Perks/Instructions:

Unique and active aviation marketplace; excellent for aviation enthusiasts; opportunity to meet collectors and mechanics; extended workdays common; volunteer shirt provided.

The Hangar (140)

Volunteers Needed (Chair): In need of additional volunteers

Inferred Need: Medium–Large team

Shift Time(s): Event hours; varies with performer schedules and speaking sessions

Students Allowed: Yes (16+)

Role Summary:

Support performer hut and hangar speaking area operations. Assist performers, guests, and presenters to ensure smooth programming and positive guest experiences.

Responsibilities:

Support performer hut operations; assist with speaking-area logistics; welcome and direct performers and guests; help manage seating, guest flow, and comfort; provide general assistance during scheduled events; respond to variable programming needs.

Requirements:

Strong communication and hospitality skills; ability to work in a dynamic, guest-facing environment; willingness to adapt to varied tasks; teamwork and reliability; comfortable with a busy environment.

Perks/Instructions:

Opportunity to interact with performers and guest speakers; high-energy, visible role; volunteer shirt provided; excellent for volunteers who enjoy active guest interaction.

SNF Radio (152)

Volunteers Needed (Chair): Individuals with technical, audio, and video experience

Inferred Need: Ongoing; roles available in technical support and on-air programming

Shift Time(s): Event hours; multiple shifts available throughout the day

Students Allowed: Yes (students used extensively)

Role Summary:

Provide support for SUN 'n FUN Radio's live and recorded programming. Volunteers assist with audio/video operations, production, engineering, and potentially on-air hosting in a fast-paced media environment.

Responsibilities:

Operate audio/video broadcast equipment; support live and recorded programming; provide technical support for streaming and editing; assist with computer-based production tasks; opportunities for on-air talent based on skill and interest.

Requirements:

Technical aptitude with audio/video equipment; computer proficiency; willingness to learn quickly; communication skills; reliability; ability to work collaboratively in a media environment.

Perks/Instructions:

Fun broadcast environment; opportunities to learn radio and media production; potential on-air experience; regular communications provided by the chair via email and Facebook.

SNF Social Media (153)

Volunteers Needed (Chair): 3–4 total; 1 per shift each day

Inferred Need: Small but skilled team

Shift Time(s):

- 9:00 AM–1:00 PM
- 1:00 PM–6:00 PM
- Dates: Monday, April 15 – Sunday, April 19

Students Allowed: Yes (must demonstrate reliability and strong communication skills)

Role Summary:

Provide real-time customer service on SUN 'n FUN's social media platforms by responding to messages, comments, and inquiries. Ensure prompt, accurate communication with guests online.

Responsibilities:

Respond to direct messages and comments; assist with basic questions; monitor engagement; provide timely information; support the social media team; occasionally pick up and return lunch for area volunteers.

Requirements:

Strong written communication skills; comfortable using social media platforms; basic computer proficiency; ability to multitask; professional and responsive communication style.

Perks/Instructions:

Training provided one week prior to Fly-In; ideal for volunteers who enjoy fast-paced digital communication; important role maintaining SUN 'n FUN's online presence.

Media Productions – On-Camera Host/Reporter (154a)

Volunteers Needed (Chair): Several (reel or audition preferred)

Inferred Need: Specialized, skill-based team

Shift Time(s): Training March 8 & 29; Fly-In coverage

Students Allowed: No (18+ only)

Role Summary:

Present videos in studio and field settings, conduct interviews, and support live and recorded broadcasts for SUN 'n FUN and ACE.

Responsibilities:

Host videos; reading teleprompter; conduct interviews; ad-lib as needed; work indoors/outdoors; stand for extended periods; provide own wardrobe/makeup.

Requirements:

On-camera experience; reel or audition preferred; professional appearance; ability to take direction; comfortable speaking publicly.

Perks/Instructions:

High-visibility media role; opportunity to interact with aviation leaders and performers; excellent reel-building experience.

Media Productions – Video Production Assistant (154b)

Volunteers Needed (Chair): Several

Inferred Need: Medium team supporting production crews

Shift Time(s): Training March 8 & 29; Fly-In coverage

Students Allowed: Yes (18+)

Role Summary:

Support studio, control room, and field production for live and recorded programming.

Responsibilities:

Operate graphics layout, audio consoles, and teleprompters; serve as stage manager; support studio and remote video shoots; work indoors and outdoors.

Requirements:

Detail-oriented; able to follow directions; physically able to stand for long periods; basic computer knowledge (Mac/PC).

Perks/Instructions:

Hands-on production experience; work alongside a professional media team; support live broadcast operations.

Media Productions – Video Editor (154c)

Volunteers Needed (Chair): Several

Inferred Need: Skilled editing team

Shift Time(s): Training March 8 & 29; flexible editing pre/during Fly-In

Students Allowed: Yes (18+)

Role Summary:

Edit short-form video packages for livestreams, news, and promotion using Adobe Premiere Pro.

Responsibilities:

Edit video packages; apply graphics, color correction, and audio sweetening; produce quick-turnaround content.

Requirements:

Premiere Pro experience; familiarity with Adobe Suite; ability to work independently and efficiently.

Perks/Instructions:

Portfolio-quality editing opportunities; aviation-focused content; professional workflow exposure.

Media Productions – Video Producer (154d)

Volunteers Needed (Chair): Few (experienced)

Inferred Need: High-experience leadership role

Shift Time(s): Training March 8 & 29; Fly-In coverage

Students Allowed: Yes (18+)

Role Summary:

Lead storytelling and video production for SUN 'n FUN, directing crews to capture key stories and aviation highlights.

Responsibilities:

Manage interviews; direct camera crews; plan coverage with ACE/SNF staff; oversee video storytelling for live and recorded projects.

Requirements:

Production or journalism experience; understanding of TV/streaming workflows; leadership skills; aviation knowledge helpful.

Perks/Instructions:

Influential creative role; opportunity for ongoing involvement; work closely with SUN 'n FUN leadership.

SNF Photography (155)

Volunteers Needed (Chair): TBD

Inferred Need: TBD

Shift Time(s): TBD

Students Allowed: TBD (portfolio and skill-based)

Role Summary:

Photography volunteers capture high-quality images throughout the SUN 'n FUN Aerospace Expo for marketing, social media, archival records, and event documentation.

Responsibilities:

Photograph aircraft, guests, activities, and special events; move independently throughout the grounds; provide own professional camera equipment; work outdoors under varying conditions.

Requirements:

Photography portfolio required; experience in event/action/aviation photography preferred; DSLR or mirrorless camera; ability to walk long distances and work outdoors for extended periods.

Perks/Instructions:

Opportunity for priority access to select areas; excellent portfolio-building environment; detailed shot lists and delivery instructions will be provided once the schedule is finalized.

Admissions (161)

Volunteers Needed (Chair): 60 volunteers daily

Inferred Need: Large frontline team

Shift Time(s):

- 6:30–1:00
- 9:00–2:00
- 12:30–6:00
- 4:00–8:00 (event nights)

Students Allowed: Yes (CFAA students scheduled; max 8 at a time)

Role Summary:

Admissions is the primary guest entry point for SUN 'n FUN. Volunteers sell and verify tickets, issue wristbands, assist with will-call, and provide customer service to ensure all guests enter smoothly and safely.

Responsibilities:

Greet and assist guests; sell and verify tickets; process cashless credit transactions; issue wristbands, maps, and programs; support will-call; answer event questions; assist guests with mobility needs; work closely with parking, security, and guest services; troubleshoot ticketing and wristband issues.

Requirements:

Strong customer service skills; professional demeanor; reliability and punctuality; ability to stand or sit for long periods; comfortable handling payment systems; team oriented.

Perks/Instructions:

Training provided; highly visible guest-facing role; opportunities for individuals and groups; volunteer shirt provided; one of the highest-demand volunteer areas.

Registration – Aircraft Camping (164)

Volunteers Needed (Chair): TBD (varies with pilot arrival flow)

Inferred Need: Essential frontline pilot-service role

Shift Time(s): TBD; dependent on inbound pilot traffic

Students Allowed: No (due to financial transactions and pilot interactions)

Role Summary:

Support pilots who fly in to camp with their aircraft. Volunteers register arriving aircraft campers, process camping permits, and issue admission wristbands.

Responsibilities:

Register pilots and aircraft campers; process camping permits and admission wristbands; provide camping and event information; answer pilot questions; direct pilots to designated camping or event areas; maintain accurate records for all transactions.

Requirements:

Customer service skills; ability to handle electronic payments; detail oriented; professional demeanor; aviation familiarity helpful but not required.

Perks/Instructions:

Unique opportunity to interact directly with pilots flying into the event; ideal for volunteers interested in aviation; role offers direct engagement with aircraft owners and experienced flyers.

On-Site Transportation (173)

Volunteers Needed (Chair): 20 (drivers, conductors, tram operators)

Inferred Need: High-priority guest-movement team

Shift Time(s):

- Trams: 8:00 AM – 8:00 PM
- Golf Carts: 10:00 AM – 10:00 PM

Students Allowed: No (drivers must be licensed adults)

Role Summary:

Operate golf carts, trams, and tractors to transport guests safely throughout the SUN 'n FUN event site.

Responsibilities:

Drive golf carts, trams, or tractors; assist passengers with boarding and exiting; provide directions and general information; monitor safety and report concerns; support site circulation and guest flow.

Requirements:

Valid driver's license for cart/tractor operators; strong communication skills; ability to work in a busy outdoor environment; comfortable assisting guests of all ages.

Perks/Instructions:

Highly visible role essential to guest satisfaction; orientation and vehicle safety briefing provided.

Golf Car Depot (175)

Volunteers Needed (Chair): 3

Inferred Need: Small operations team

Shift Time(s): Thursday before the show until two days after closing

Students Allowed: No

Role Summary:

Support the movement and organization of golf carts used throughout SUN 'n FUN operations.

Responsibilities:

Retrieve golf carts from the staging area; transport carts to the depot; assist with organization and placement of carts; support cart movement for operational needs; walk long distances as required.

Requirements:

Physical mobility and stamina; ability to walk the grounds; reliability; comfortable working outdoors.

Perks/Instructions:

Important behind-the-scenes support role; provides essential service to staff and volunteer teams.

Area 181 – Site & Facilities Maintenance

Volunteers Needed (Chair): TBD (CDL drivers, equipment operators, and heavy-labor volunteers especially needed)

Inferred Need: Large operations and infrastructure team

Shift Time(s):

- Two weeks before event
- During Fly-In (as needed)
- Three days after for teardown

Students Allowed: No

Role Summary:

Support all site setup, infrastructure work, maintenance needs, and teardown for the SUN 'n FUN event grounds.

Responsibilities:

Construct and prepare buildings, fencing, water stations, and work areas; move and stage equipment; repair waterline breaks; secure tents; refuel generators; operate support vehicles (water truck, equipment, etc.); respond to unexpected issues; support overall site readiness.

Requirements:

Physical labor capability; outdoor readiness; ability to lift/carry equipment; reliability; CDL

preferred for truck driving; experience with tools, repairs, plumbing, generators, or site work is beneficial.

Perks/Instructions:

Essential to event success; hands-on, problem-solving work; tools and training provided; critical need two weeks prior through post-event cleanup.

Area 182 – Sign Shop

Volunteers Needed (Chair): TBD

Inferred Need: Medium team with heavy pre-event focus

Shift Time(s):

- Months before event (flexible)
- Week before Fly-In for property-wide sign installation
- Additional shifts during event for last-minute needs

Students Allowed: Yes (reliable and able to follow detailed instructions)

Role Summary:

Assist with producing, preparing, and placing signs used throughout the event grounds. Includes designing, printing, laminating, sorting, and installing signage.

Responsibilities:

Support sign production; assist with organization, sorting, and placement; complete property-wide sign installation; use basic tools and sign-making equipment (training provided); assist with urgent sign needs during event.

Requirements:

Attention to detail; ability to learn specialized tasks; reliability; comfortable performing light lifting and outdoor work; interest in learning sign-shop skills.

Perks/Instructions:

Training provided; excellent behind-the-scenes creative role; strong need in months leading up to the event; opportunities for year-round support.

Preferred Airshow Seating (214)

Volunteers Needed (Chair):

- 2 skilled volunteers (tools, painting, carpentry)
- 2–3 volunteers with police/security background
- 2–3 experienced ticket sellers
- 5–6 general volunteers for airshow stations

Inferred Need: Diverse team with mixed skill sets

Shift Time(s): During scheduled airshows (setup, show operations, breakdown)

Students Allowed: No

Role Summary:

Assist with the setup, management, and breakdown of the Preferred Airshow Seating area, providing guest support and ensuring safe, organized show operations.

Responsibilities:

Skilled volunteers: perform setup/breakdown, carpentry, painting, tool-based tasks.

Security-experienced volunteers: manage crowd issues, provide safety and guest support.

Ticket sellers: process ticket sales quickly and accurately.

General volunteers: staff stations, check tickets, assist guests, support the team during airshows.

Requirements:

Ability to walk long distances; stand for extended periods; perform physical tasks; strong communication and teamwork skills.

Perks/Instructions:

Active outdoor role; direct guest interaction; essential support during airshow periods; mix of skill-based and general volunteer opportunities.

Campground Store (226)

Volunteers Needed (Chair): 2 volunteers (7:30 AM–Noon); 2 volunteers (3:00 PM–7:30 PM)

Inferred Need: 4 volunteers per day for full coverage

Shift Time(s): Morning 7:30 AM–Noon; Afternoon 3:00 PM–7:30 PM (April 10–19)

Students Allowed: Yes (if reliable and comfortable with credit card transactions)

Role Summary:

Support the Campground Store, which provides food, supplies, and gifts for campers and guests, ensuring smooth operations and a welcoming shopping experience.

Responsibilities:

Morning shift: perform cashier duties, handle transactions, assist customers; afternoon shift: sweep store, straighten and organize merchandise, maintain tidy appearance; provide friendly service and answer questions about items.

Requirements:

Comfortable handling electronic transactions; ability to stand for extended periods; willingness to perform light cleaning and restocking; friendly, reliable, and guest-focused.

Perks/Instructions:

Indoor role with regular guest interaction; scheduled coverage from Friday, April 10 through April 19; training on store procedures and payment systems provided.

Fly-In Volunteer Kitchen (231)

Volunteers Needed (Chair): TBD

Inferred Need: Moderate team needed three days pre-show and daily during Fly-In

Shift Time(s): Three days prior to Fly-In and daily during event, early morning–noon

Students Allowed: Yes (must be reliable and able to work in a fast-paced environment)

Role Summary:

Assemble premade lunches, organize them by area, and support distribution so volunteer teams across the grounds receive meals promptly.

Responsibilities:

Assemble lunch bags/boxes; organize meals by area; stage orders for pickup or delivery; assist with loading meals for distribution; maintain clean and organized prep space; follow food-handling and packing procedures.

Requirements:

Ability to stand for several hours; able to lift light to moderate items; strong organizational skills and attention to detail; comfortable in a kitchen/assembly-line environment; reliability, punctuality, and teamwork; willingness to follow food-safety guidelines.

Perks/Instructions:

Training provided for food handling and packing workflow; high-impact behind-the-scenes role directly supporting all volunteers; ideal for people who enjoy structured, organized tasks and teamwork.

Volunteer Beverage Service (234)

Volunteers Needed (Chair): 5–10 per shift (Inferred Weekly Need: ~14 total)

Inferred Need: 14

Shift Time(s): 8:00 AM–4:00 PM (two shifts per day)

Students Allowed: Yes (morning preferred)

Role Summary:

Provide ice and water to volunteer areas and help sell water to guests during airshows, ensuring hydration support across the event.

Responsibilities:

Deliver ice and water to volunteer areas; stock and replenish coolers; load and transport cases of water and bags of ice; support water sales from golf carts; sell ice to vendors; maintain distribution records; assist with setup starting one week before the event; help troubleshoot payment devices for water sales.

Requirements:

Ability to lift and transport heavy items; strong organizational skills; reliability and punctuality; comfortable working in a fast-paced, physically demanding environment; courteous interaction

with volunteers, vendors, and guests; willingness to follow safety procedures and adapt to changing needs.

Perks/Instructions:

Critical hydration role for all volunteers; training provided; access to dedicated ice and water trailers; opportunity to operate golf carts during airshows; additional payment devices planned for future events.

Security – Gates & Access Control (242)

Volunteers Needed (Chair): TBD

Inferred Need: Ongoing need across morning, midday, and evening shifts

Shift Time(s): Morning, Midday, and Evening shifts during event hours

Students Allowed: Yes (must be mature, reliable, and able to follow safety protocols)

Role Summary:

Support security operations at gates and access points by checking credentials, monitoring activity, and helping maintain a safe, orderly environment.

Responsibilities:

Verify pedestrian and vehicle credentials; ensure authorized access only; monitor gate areas; report safety or security concerns; provide basic directions to guests; follow established gate and safety procedures.

Requirements:

Ability to stand and/or walk for the duration of the shift; alert and observant; comfortable verifying badges and passes; professional and calm demeanor; reliability and willingness to follow all protocols.

Perks/Instructions:

Training provided on credential types and gate procedures; an important role in overall event security; ideal for observant, responsible volunteers who prefer structured duties.

SNF Security – Commercial (243)

Dates Needed: TBD

Volunteers Needed: 8 volunteers

Shift Time(s):

- Morning Shift: 7:45 AM–9:00 AM
- Evening Shift: 4:30 PM–5:30 PM

Role Summary:

Support hangar access control by monitoring designated hangar doors during restricted-entry periods and ensuring exhibitors and guests follow proper access procedures.

Responsibilities:

Morning Shift:

- Man a hangar door and allow only exhibitors with proper credentials to enter.
- Volunteers are relieved once hangars open to the public at 9:00 AM.

Evening Shift:

- Man a hangar door and remind patrons that exhibits close at 5:00 PM.
- At 5:00 PM, turn away incoming patrons and ensure no one remains inside after closing.
- Remain at the post until the hangar is empty; chairman will close the door and relieve the volunteer.

Requirements:

Comfortable interacting with guests and exhibitors; ability to remain attentive at a fixed post; punctuality; professionalism when enforcing access guidelines.

Perks/Instructions:

Short shifts; training provided by area leadership; essential role supporting proper exhibit hall operations.

SNF Security – Gifts of Flight Gift Shops (244)

Volunteers Needed (Chair): 15 volunteers on Tuesday, Wednesday, Sunday; 30 volunteers on Thursday, Friday, Saturday

Inferred Need: Large team providing both retail support and security

Shift Time(s): To be finalized; will align with store operating hours

Students Allowed: Yes (if mature and reliable)

Role Summary:

Support Gifts of Flight shops with customer service, merchandise upkeep, and loss-prevention awareness.

Responsibilities:

Attend required pre-event training; assist guests with purchases; provide courteous customer service; keep merchandise stocked, neat, and organized; remain alert for potential shoplifting and follow reporting procedures; help maintain a safe, welcoming shop environment.

Requirements:

Friendly, approachable demeanor; strong customer service skills; ability to remain observant and proactive in a busy retail environment; reliability and punctuality.

Perks/Instructions:

Training session required prior to Fly-In; vital to both guest experience and asset protection; active indoor role with continuous guest interaction.

ADA Services (252)

Volunteers Needed (Chair): 10–25 per shift (Inferred Weekly Need: ~125 plus 25–50 additional for egress support)

Inferred Need: 125–175 (depending on egress plan approval)

Shift Time(s): 6:30 AM–10:00 PM (ends 1:00 AM on Tue/Wed/Sat and other night-event days)

Students Allowed: Yes

Role Summary:

Support ADA operations for guests with accessibility needs, including mobility assistance, OPDMD and service-animal coordination, transportation, and egress support after night events.

Responsibilities:

Manage ADA mobility and service-animal issues at gates; share ADA information with other areas; dispatch and transport guests needing assistance; support pedestrian and cart egress after night events; attend pre-show training and staff meetings; conduct on-site visual checks; assist vendors needing ADA-related support; train volunteers in ADA procedures; coordinate with other areas for additional egress staffing; respond to changing operational needs tied to event schedules.

Requirements:

Strong communication and customer-service skills; ability to work long shifts; safety-focused situational awareness; reliability; comfortable assisting guests with mobility needs; willingness to participate in ongoing training; adaptability in a dynamic environment.

Perks/Instructions:

High-impact role directly supporting accessibility and guest safety; detailed pre-event and on-site training provided; morning shifts especially helpful; recruitment assistance requested from Volunteer Office; volunteer shirt provided.

Auto Parking (261)

Volunteers Needed (Chair): Many (full-event coverage)

Inferred Need: Large team; continuous support throughout event

Shift Time(s): To be scheduled based on parking patterns and event hours

Students Allowed: Yes (must be attentive and safety-focused)

Role Summary:

Support guest vehicle parking and ensure safe, efficient traffic flow throughout the event.

Volunteers guide vehicles, assist guests, and help maintain an organized parking environment.

Responsibilities:

Direct guests to parking spaces safely; assist guests with remembering or locating their vehicle area; support traffic flow; monitor parking zones; communicate with parking leads regarding congestion or issues; work outdoors in varying weather conditions.

Requirements:

Ability to give clear and confident directions; alertness; strong situational awareness; comfortable working outdoors; ability to stand or walk for extended periods; safety-minded and reliable.

Perks/Instructions:

High guest-contact role; training on traffic flow and safety procedures provided; essential part of a smooth guest arrival experience.

International Oasis (262)

Volunteers Needed (Chair): To be determined

Inferred Need: Moderate hospitality-focused team

Shift Time(s): To be scheduled based on tent operating hours

Students Allowed: Yes (must show maturity and professionalism)

Role Summary:

Staff the hospitality tent dedicated to international guests, vendors, and performers, providing a welcoming, helpful environment.

Responsibilities:

Greet guests from around the world; answer questions; provide hospitality support; monitor guest comfort and needs; maintain a clean, professional, and welcoming tent atmosphere; support with event information and directions; assist vendors and performers as needed.

Requirements:

Friendly, professional demeanor; clear communication skills; comfortable interacting with diverse cultures; willingness to work in a hospitality environment; adaptability to changing guest needs.

Perks/Instructions:

This tent differs from Family Oasis (limited amenities—primarily water; no A/C or private restroom facilities); volunteers provide an important first impression for international guests; role plays a key part in global guest experience.

Volunteer Services – Go-Team (280)

Volunteers Needed (Chair): 2–4 per day

Inferred Need: Small but highly flexible support team

Shift Time(s): 8:00 AM–12:00 PM; 12:00 PM–4:00 PM; occasional later shifts

Students Allowed: No (18+ required)

Role Summary:

A flexible, mobile support team assisting with event setup, errands, administrative tasks, volunteer care, and Admissions overflow. Go-Team members help keep operations running smoothly across multiple departments.

Responsibilities:

Assist with event setup (tables, chairs, signage, decorations); run errands and deliver supplies; provide administrative/clerical support; help with volunteer and staff lunch distribution; collaborate with Admissions Go-Team on guest services; provide general all-purpose assistance across departments; maintain communication with staff and volunteers.

Requirements:

Strong teamwork and communication skills; ability to stay organized under pressure; flexibility to handle varied tasks; ability to lift/carry supplies; reliability; prior event/volunteer experience helpful but not required; must be 18+.

Perks/Instructions:

Behind-the-scenes access; high staff interaction; highly varied tasks; role includes pre-event volunteer recruitment and Pioneer Luncheon planning; coordination with other areas for staffing needs.

General Aircraft Parking (311)

Volunteers Needed (Chair): TBD

Inferred Need: Moderate–large team (3 days pre-show; 1–2 days post-show)

Shift Time(s): Morning, Midday, and Afternoon (based on aircraft arrival flow)

Students Allowed: Yes (must be mature, reliable, and safety-focused)

Role Summary:

Assist with the safe arrival and parking of general aviation aircraft. Volunteers often serve as the first point of contact for incoming pilots and passengers. Safety and customer service are the top priorities.

Responsibilities:

Guide and park arriving aircraft; follow instructions from Airside leadership; maintain situational awareness around moving aircraft; provide friendly assistance and information to pilots and guests; work outdoors in varied weather; support aircraft parking flow pre-show and post-show.

Requirements:

Ability to stand/walk for entire shift; follow precise instructions; high situational awareness; strong customer-service skills; comfortable working outdoors; no prior marshalling experience required (training provided).

Perks/Instructions:

Training provided on safety procedures and protocols; essential role in safe aircraft movement; ideal for aviation-interested volunteers; contributes directly to smooth aircraft arrival operations.

General Aircraft Camping (312)

Volunteers Needed (Chair): TBD

Inferred Need: Moderate—large team (arrival-heavy shifts)

Shift Time(s): Morning, Midday, and Afternoon (based on arrival and campground activity)

Students Allowed: Yes (must be mature and able to follow strict safety guidelines)

Role Summary:

Assist pilots arriving to camp with their aircraft by guiding aircraft, helping with campsite orientation, answering questions, and ensuring a safe, organized aircraft camping environment.

Responsibilities:

Guide aircraft into designated camping areas; assist pilots and families with campsite orientation; answer questions about camping and event services; monitor area for safety; work outdoors in varied weather; support smooth guest arrival and setup.

Requirements:

Ability to stand/walk for entire shift; strong focus on safety and airside procedures; friendly and helpful demeanor; clear communication skills; comfortable giving directions; no previous aircraft marshalling experience required (training provided).

Perks/Instructions:

Training provided on parking, safety, and campground protocols; essential for a positive, safe pilot-camping experience; ideal for volunteers who enjoy aviation, outdoor work, and guest interaction.

Airside Crowd Control (326)

Volunteers Needed (Chair): 20 volunteers (Mon–Sun) + 20 additional volunteers for 2+ days

Inferred Need: Very large team — HIGH PRIORITY airside safety role

Shift Time(s): Various shifts throughout the event

Students Allowed: Yes (must complete training and demonstrate maturity)

Role Summary:

Volunteers maintain pedestrian and spectator safety in active airside zones during aircraft movements. This is a critical safety role requiring vigilance, communication, and the ability to enforce safety boundaries around aircraft operations.

Responsibilities:

Ensure pedestrian safety at taxiway crossings; prevent unauthorized access to restricted Airside Ops areas; provide crowd control during aircraft movement and static display repositioning; coordinate safe flow of individuals and groups; reposition spectators or vehicles as needed; offer administrative or observation support for volunteers needing a less active role.

Requirements:

Completion of required online training and onsite orientation; strong situational awareness; ability

to remain alert for long periods; willingness to enforce boundaries respectfully but firmly; comfortable working outdoors in dynamic airside environments; strong communication skills.

Perks/Instructions:

Variety of active and less-active roles available; training ensures volunteers feel confident and supported; highly visible role essential to safe aircraft and crowd operations; great for those who enjoy aviation and high-impact work.

Pilot Welcome Center (328)

Volunteers Needed (Chair): TBD

Inferred Need: Medium-size hospitality team

Shift Time(s): TBD

Students Allowed: Yes (must be mature and guest-focused)

Role Summary:

Welcome and host arriving pilots, families, and friends at the Pilot Welcome Center throughout the week. Volunteers help create a warm, helpful, and aviation-focused hospitality environment.

Responsibilities:

Greet pilots flying in; provide hospitality support; answer questions; direct pilots and guests to services and event resources; maintain an inviting environment; assist with general pilot and family needs.

Requirements:

Friendly, professional demeanor; strong communication and hospitality skills; comfortable supporting a wide range of pilot/guest needs; ability to work in a guest-focused environment; reliability and teamwork.

Perks/Instructions:

Central hub for meeting pilots and aviation enthusiasts; strong community engagement; opportunity to learn about pilot arrivals and aviation culture; builds camaraderie among volunteers and guests.

Airshow Volunteer Logistics (341)

Volunteers Needed (Chair): TBD (typically 4–6 pre-show; ~5 during show shifts)

Inferred Need: Highly skilled logistics team — HIGH PRIORITY

Shift Time(s): Pre-show setup & arrivals; AM/PM show-day shifts; post-show breakdown

Students Allowed: No (due to complexity and responsibility)

Role Summary:

Coordinate all logistics supporting performers, VIP guests, announcers, and the Air Boss. This includes managing packets, vehicles, golf carts, documentation, communication, and shack operations. One of the most detail-intensive support roles at the Fly-In.

Responsibilities:

Pre-show: Packets for performers/VIPs/announcers; review forms for missing information; prepare the “bible” binder; build Excel schedules & location charts; create name cards, lanyards, golf cart assignments; clean and prep the shack; shuttle rental cars; track vehicle/cart locks and key assignments.

Show Days (AM): Fetch rental cars; stage and prep golf carts; attend Air Boss briefings; distribute daily schedules.

Show Days (PM): Maintain shack; assist with VIP requests; track cart/car returns; manage bottled water and ice.

Post-show: Return vehicles, carts, supplies; assist with complete breakdown.

Cross-support Area 340 (Airshow Pilots), including pilots, fuel liaisons, escorts, and hangar logistics.

Requirements:

Strong organizational and record-keeping ability; high attention to detail; must be comfortable with fast-paced, high-pressure environments; excellent communication and teamwork; must attend required orientation and training.

Perks/Instructions:

Central operations hub for performers, VIPs, and the Air Boss; direct interaction with pilots, performers, and VIP guests; critical for smooth airshow flow; responsibilities overlap with Area 340 requiring close collaboration; maintaining a precise “bible” binder and logistics boards is essential for FAA and safety reference.

Military Support – Hospitality Tent (342)

Volunteers Needed (Chair): Breakfast: 6/day; Lunch: 10/day; Dinner: 6/day; Performer Tent: 4–6/day

Inferred Need: Large hospitality team; high-demand, high-visibility area

Shift Time(s): Breakfast, Lunch, Dinner, and Performer Tent shifts daily (times TBD)

Students Allowed: No (due to food service, logistics, and military interaction)

Role Summary:

Provide hospitality and logistical support for active-duty military teams, performers, and pilots. Volunteers ensure meals, supplies, and hospitality services run smoothly throughout the day in both the dining and performer areas.

Responsibilities:

Breakfast: set up meal stations, serve, stock items, and clean.

Lunch: prepare and serve lunch items, maintain stations, and assist with cleanup.

Dinner: provide meal support, maintain cleanliness, and keep supplies stocked.

Performer Tent: manage supplies, maintain seating and hospitality areas, assist performers and military staff, and support logistical needs.

Additional support for military coordination including hotels, rental cars, and general guest needs.

Requirements:

Friendly, professional demeanor; ability to work in food service and guest support environments; strong teamwork; flexibility to cover various hospitality roles; organizational skills to assist with both meal service and logistics; reliability and professionalism.

Perks/Instructions:

Direct interaction with military pilots, jet teams, and performers; essential role supporting military hospitality and recruitment environments; high-visibility opportunity with unique behind-the-scenes access; ideal for volunteers who enjoy service-oriented, fast-paced roles.

Vintage Aircraft Parking (353)

Volunteers Needed (Chair): 45

Inferred Need: Large team required due to high-traffic aircraft operations

Shift Time(s):

- Pre-show: 0700–1900
- Airshow Days: 0700–1300 and 1700–1900

Students Allowed: Yes for pedestrian/tent roles; 18+ for marshalling and golf carts

Role Summary:

Support vintage aircraft operations by parking/marshalling aircraft, managing pedestrian safety, and assisting with Vintage Tent activities. Volunteers help maintain a safe, organized, and welcoming experience for vintage pilots and guests.

Responsibilities:

Park and marshal vintage aircraft; manage pedestrian control for safety; assist with logistics and visitor engagement in the Vintage CP Tent; support logistics and movement using golf carts; maintain situational awareness; enforce safety procedures; interact respectfully with pilots, guests, and vintage aviation enthusiasts.

Requirements:

Age 18+ required for golf cart operations and aircraft marshalling; pedestrian/tent roles open to all ages; ability to work outdoors in hot, dusty, or noisy conditions; strong communication skills; patience and professionalism when enforcing safety boundaries; reliable and able to follow safety guidance.

Perks/Instructions:

Volunteers rotate through tent for rest and support; safety and aircraft marshalling orientation provided; must bring sunscreen, water, and proper attire (hearing protection recommended); unique opportunity for close interaction with aircraft, pilots, and vintage aviation enthusiasts.

Warbirds (354)

Volunteers Needed (Chair): 25–50 per shift (Inferred Weekly Need: ~50 total)

Inferred Need: 50

Shift Time(s): 7:00 AM–6:00 PM (extends to 9:30 PM during night entertainment)

Students Allowed: No

Role Summary:

Support Warbird operations by registering arriving pilots and aircraft, assisting with merchandise

sales, and providing guest service on the Warbird ramp and surrounding areas. Volunteers help maintain a safe, organized, and welcoming environment in a high-profile aviation setting.

Responsibilities:

Register arriving pilots and aircraft; assist with merchandise sales; answer guest questions; support Warbird pilots and volunteers; help maintain an orderly ramp and grass area; provide general operational assistance; contribute to daily flow in a busy aviation environment.

Requirements:

Friendly and professional demeanor; strong communication and organizational skills; ability to handle credit card and merchandise transactions; comfortable working around aircraft operations; interest in historic/Warbird aviation helpful; ability to work outdoors for extended periods.

Perks/Instructions:

Opportunity to interact closely with Warbird pilots, owners, and enthusiasts; unique access to historic aircraft operations; essential and visible role within one of SUN 'n FUN's most iconic aviation communities; volunteer shirt provided.

Paradise City (355)

Volunteers Needed (Chair): 25–50 per shift (Inferred Weekly Need: ~135 total)

Inferred Need: 135

Shift Time(s): 6:45 AM – 8:00 PM

Students Allowed: No

Role Summary:

Support all light-aircraft operations in the Paradise City area, including exhibitor activity, guest movement, ground operations, and safety monitoring. Volunteers work closely with ultralight and light-sport aircraft while ensuring a safe and efficient environment for pilots, guests, and exhibitors.

Responsibilities:

Assist with aircraft movement and operational flow; support pilots entering and exiting taxi areas; monitor flightline boundaries; redirect unauthorized guests or vehicles; observe and report safety issues; provide assistance to exhibitors and volunteers; maintain operational readiness; communicate updates and coordinate with area leadership.

Requirements:

Ability to work outdoors for extended periods; awareness of aircraft operations and safety protocols; strong communication skills; quick situational awareness; ability to manage fast-paced conditions; reliability; comfortable working around aircraft noise and activity (hearing protection recommended).

Perks/Instructions:

Engaging and aviation-focused environment with high activity levels; opportunity to work directly with ultralight and light-sport aircraft; essential operational role supporting key airside functions; morning shifts preferred for peak movement; volunteer shirt provided; training available.

Seaplanes LAL (357)

Volunteers Needed: 12 (additional volunteers always welcome)

Shift Time(s): [Specify Dates/Times]

Students Allowed: Not specified

Role Summary:

Support safe and efficient seaplane operations by assisting pilots, managing guest flow, and maintaining a safe environment in the seaplane area. Volunteers help ensure smooth arrivals, departures, and overall operational coordination.

Responsibilities:

Assist with seaplane arrivals, departures, and parking; help with crowd control and maintain safety around aircraft; support seaplane pilots, staff, and guests; assist in various operational roles as needed; maintain awareness of aircraft movement and guest activity.

Requirements:

Strong safety awareness and communication skills; ability to work outdoors around active aircraft; team-oriented and adaptable to changing needs; interest in seaplane operations is helpful.

Perks/Instructions:

Unique opportunity to work with seaplanes in a specialized aviation area; direct interaction with pilots and aviation enthusiasts; training provided for safe and efficient operations; great role for volunteers who enjoy hands-on aviation activity.

Florida Aviation Network (364)

Volunteers Needed: 6–8 volunteers with production or photographic skills (plus additional volunteers willing to learn)

Dates Needed: March 29–30

Shift Time(s): 7:30 AM – 2:30 PM (daily)

Students Allowed: Yes (students and parents may visit/observe)

Role Summary:

Support live broadcast production for SUN 'n FUN by assisting with technical operations, camera work, and general production tasks. Volunteers help produce FAN's live programming from the Central Florida Aerospace Academy.

Responsibilities:

Assist with broadcast production including PA, grips, audio, video, lighting, and network interfaces; operate cameras; support setup and technical operations; assist with live broadcast needs; maintain a professional and safe work environment; remain flexible during periods of downtime; participate in on-site learning and training for new production tasks.

Requirements:

Interest in broadcast/media/photography; experience preferred but not required; willingness to learn technical tasks; ability to work in a busy production environment; patience and flexibility.

Perks/Instructions:

Hands-on experience in broadcast production; opportunity to work with a professional aviation media network; FAN is a National FAAS Team Industry Member supporting aviation safety;

broadcasts are archived on YouTube; excellent educational opportunity for aspiring media or aviation professionals.

The Island Country Store (372)

Volunteers Needed: 2–4 volunteers

Dates Needed: Saturday, April 11 – Sunday, April 19

Store Hours: 7:00 AM – 10:00 PM daily

Students Allowed: Not specified

Role Summary:

Support retail operations at The Island Country Store, which provides food, beverages, camping supplies, and SUN 'n FUN merchandise to guests and campers. Volunteers help ensure smooth operation and excellent guest service.

Responsibilities:

Greet customers; assist with purchases; process sales for food, beverages, camping supplies, merchandise, admission tickets, and aircraft camping permits; restock shelves; maintain an organized and tidy store environment; support product displays and promotions; follow store opening and closing procedures; provide information and customer support as needed.

Requirements:

Friendly and guest-service oriented; comfortable in a fast-paced retail setting; willingness to assist with varied tasks; ability to communicate clearly and work as part of a team.

Perks/Instructions:

Central support role serving thousands of attendees; opportunity to gain retail and customer service experience; high guest interaction; contribute to a positive and welcoming event environment.

Ramus Skylab Innovation Center (420)

Volunteers Needed: 4–6 volunteers per day

Shift Time(s):

- Tuesday–Thursday, April 15–17
- Friday–Sunday, April 18–20

(Flexible morning or afternoon shifts; Pitot tube activity runs throughout the day.)

Students Allowed: Yes (especially those with aviation/STEM interest)

Role Summary:

Support hands-on STEM and aviation activities inside the Ramus Skylab Innovation Center. The primary activity is a Pitot tube build-and-test station where children construct their own Pitot tubes and evaluate them in a wind tunnel to learn avionics and flight-instrument concepts.

Responsibilities:

- Assist children with Pitot tube construction, sensor connection, and wind tunnel testing
- Explain aviation concepts such as airspeed, instruments, and avionics
- Guide youth through safe use of materials and answer questions
- Support additional STEM activities in partnership with DATC (Tue–Thu)
- Encourage and mentor children for a positive hands-on experience

- Assist with Saturday's Teachers' Pre-Flight Experience (higher volume)
- Support school field trip groups, including ticketing and bus flow when scheduled

Skills/Qualifications:

- Enjoy working with children in an educational setting
- Strong communication and teamwork skills
- Aviation background preferred (pilots, aviation students, avionics knowledge)
- Passion for STEM and hands-on engagement

Perks/Instructions:

- Direct impact on youth STEM and aviation education
 - Fun, interactive, high-energy environment
 - Training provided on materials and activity workflow
 - Opportunity for volunteers who enjoy teaching, mentoring, and inspiring future aviators
-

Area 422 – SNF Workshops (Hands-On Workshops)

Volunteers Needed (Chair): *To be determined*

Inferred Need: Medium–Large team across 11 workshop stations

Shift Time(s): 9:00 AM – 4:00 PM (flexible hours within this window)

Students Allowed: Yes (must be reliable and able to follow safety instructions)

Role Summary:

Volunteers support SUN 'n FUN's hands-on aviation workshops by instructing, assisting, and guiding participants through a variety of technical skills including sheet metal, woodworking, welding, electrical work, composites, and more. This is an interactive, instructional role that supports one of the longest-running educational experiences at the Fly-In.

Responsibilities:

- Instruct participants in one or more workshop disciplines (sheet metal, woodworking, electrical, avionics, composites, welding, aircraft systems)
- Guide participants through safe, hands-on work with tools and materials
- Assist with general workshop setup, organization, and tool/material readiness
- Support participants at workstations after initial instruction
- Provide one-on-one help for welding, sheet metal, woodworking, and electrical skills
- Maintain clean, organized workshop spaces and ensure safety practices are followed
- Help in workshop areas such as Electrical, Basic Composite, Advanced Composite, Tig Welding, Engine Installations, Fabric Covering, Metal Shaping, Sheet Metal Fabrication, Welding Oxyacetylene, Woodworking, and Prop Carving
- Support setup of the expanded Lincoln workshop space (Vic Boyce Garage area)

Requirements:

- Willingness to assist and learn (no prior experience required for many stations)
- Comfortable working with tools, materials, and workshop equipment
- Ability to stand and work in an active, hands-on environment
- Strong communication skills and patience when guiding participants
- Reliability and ability to follow workshop procedures and safety processes

Perks/Instructions:

- Opportunity to support aviation education in a highly interactive environment

- Training provided for all roles and workshop procedures
- New break area and improved workshop office amenities planned
- Volunteers may work in one or several specialty areas depending on skills and preference
- Great opportunity for those who enjoy teaching, mentoring, or hands-on craftsmanship

Jr. Aces – Youth Workshop Assistant & Flight Sim Support (426 & 436)

Volunteers Needed (Chair):

- Jr. Aces: 12–15
- Flight Sim Experience: 1–5 per shift (optimal total for week TBD)

Inferred Need: 12–15 (Jr. Aces)

Shift Time(s):

- Jr. Aces Morning: 8:00 AM–1:00 PM
- Jr. Aces Afternoon: 12:30 PM–5:30 PM (includes setup/cleanup)
- Flight Sim Experience: Two shifts per day
- Operational hours: 9:00 AM–5:30 PM (closes at 5:00 PM Tue, Wed, Sat due to evening entertainment schedule)
- Area becomes operational Monday before opening day
- Setup begins two weeks prior to show

Students Allowed: Yes (CFAA students preferred for morning support in Area 436)

Role Summary:

Volunteers assist youth participants (ages 7–17) in STEM-based aviation activities, including hands-on aerospace projects and guest engagement in the Flight Simulator areas. Duties include customer service, scheduling, simulator management, educational support, and daily operations. Volunteers also support the combined Flight Sim Experience attraction, assisting guests with simulator activities, guiding individuals through the experience, maintaining line flow, and ensuring smooth equipment operation.

This is a highly interactive, guest-facing, and education-focused role supporting both youth and adult aviation learning.

Responsibilities:

Youth & STEM Activities (426):

- Assist youth ages 7–17 with hands-on aerospace projects (riveting, soldering radios, building wing ribs, distributing completion gifts)
- Provide customer service and general guidance to youth and families
- Ensure safe, positive engagement in all youth activities
- Assist with daily setup and cleanup

Simulator & Guest Support (426 & 436):

- Support exhibitors and guests in the Flight Simulator Area
- Schedule simulator sessions and assist with guest inquiries
- Assist with Aero Club Flight Sim Training operations for adults (evaluation, coordination with instructors, flow management)
- Guide guests and volunteers through simulator experiences

- Maintain smooth line flow and guest comfort
- Support combined simulator operations formed from 2–3 prior-year programs

Operational Support (436):

- Assist with setup beginning two weeks prior to show
- Support daily operations during full event hours
- Ensure smooth operation of simulator equipment
- Provide friendly engagement and basic tech comfort

Requirements:

- Enjoy working with youth and families
- Strong communication and organizational skills
- Comfortable interacting with guests and providing assistance
- Ability to stand or move for duration of shift
- Patience, positive attitude, and professionalism
- Interest in aviation or simulators helpful (not required)
- Ability to assist with hands-on STEM projects
- Reliable, punctual, and able to follow instructions
- Comfortable in a dynamic, guest-facing environment

Perks/Instructions:

- Training provided (youth workshops + simulator operations)
- High-impact, meaningful role supporting STEM education
- Direct interaction with exhibitors, guests, flight instructors, and youth participants
- Area serves both guests and volunteers—fun, aviation-focused experience
- Volunteer interest remains steady; minimal recruitment needed for Area 436
- Volunteers receive updates through email, phone, and text
- Area number 436 also used to order equipment for the Flight Sim Experience
- Volunteer shirt provided

The Hangar (435)

Volunteers Needed: Operationally 5 for the week; ideally 6 volunteers Friday–Monday; 1–5 per shift

Volunteers Needed (Chair): In need of additional volunteers

Inferred Need: Medium–Large team

Shift Time(s):

- Four shifts per day
- Operational Hours: 8:00 AM–8:00 PM (same hours Tue, Wed, Sat)
- Area opens Thursday when airside becomes available
- Setup begins Thursday when airside opens
- Schedule varies with performer schedules and speaking sessions
- Event hours may shift based on programming needs

Students Allowed: Yes (16+)

Role Summary:

Guest-facing / Hospitality — Volunteers assist in the performer hut and hangar speaking area, supporting performers, presenters, and guests. Responsibilities include maintaining smooth

activity flow, helping with logistics, and providing a welcoming environment. This is a dynamic and highly visible area essential for performer coordination and guest engagement. Volunteers also support speaking-area operations, ensure smooth programming, and enhance the experience for performers and visitors.

Responsibilities:

- Support performer hut operations and assist performers as needed
- Help manage logistics for the hangar speaking area
- Welcome and direct performers, presenters, guests, and attendees
- Provide general assistance during speaker sessions and scheduled events
- Manage seating, guest flow, and comfort in the speaking area
- Respond to variable programming needs throughout the day
- Maintain an organized, calm, and welcoming environment

Requirements:

- Strong communication and hospitality skills
- Comfortable working in a fast-paced, guest-facing environment
- Ability to adapt to varied tasks based on performer schedules
- Able to stand, walk, and assist for the duration of the shift
- Reliable, punctual, and able to follow directions from chairman and staff
- Team-oriented mindset and comfortable in a busy environment

Perks/Instructions:

- Opportunity to interact with performers and guest speakers
 - Highly visible, high-energy volunteer role
 - Onsite training and instructions provided
 - Volunteer shirt provided
 - Excellent for volunteers who enjoy active guest interaction
 - Recruitment assistance needed from the SUN 'n FUN Volunteer Office
 - Chairman communicates with volunteers via email, phone, or text
-

Silverwings (464)

Volunteers Needed: 25 volunteers for the week (5–10 per shift)

Shift Time(s):

- Two shifts per day
- Operational hours: 8:00 AM–6:00 PM
- Hours remain the same on Tue, Wed, and Sat (not affected by nighttime entertainment)
- Area becomes operational Monday before opening day
- Setup begins two weeks prior to show

Students Allowed: No (CFAA students are not scheduled in this area)

Role Summary:

Volunteers support the Silver Wings Fraternity hospitality center, serving Silver Wings members and their guests who travel from across the country to attend SUN 'n FUN. Responsibilities may include greeting guests, assisting with hospitality needs, maintaining the comfort and cleanliness of the space, supporting food and beverage service, and providing a welcoming environment throughout the day. This is a guest-service-focused area with consistent daytime hours.

Responsibilities:

Greet guests and assist with hospitality needs; maintain comfort and cleanliness of the space; support food and beverage service; interact with guests and provide a welcoming environment; follow directions from leadership; assist during both slow and busy periods.

Requirements:

Friendly, professional demeanor with strong hospitality and customer-service skills; ability to stand, walk, or assist with hospitality tasks for the duration of the shift; reliability and punctuality; ability to take direction; comfortable interacting with guests; willingness to support all levels of guest flow.

Perks/Instructions:

Training and instructions provided directly by Silver Wings leadership; chairman communicates via email, phone, and text; recruitment assistance requested from the SUN 'n FUN Volunteer Office to meet staffing needs; stable daytime-only schedule with no extended evening hours; volunteers help enhance the experience of a well-established aviation fraternity.
